

# Neighborhood Housing Homebuyer Workshops

Offered By Neighborhood Housing Services

Each workshop consists of two sessions. Participants must attend both parts. Session 1 reviews credit, budgeting, and how  these topics influence buying power.

Session 2 includes information from lenders, real estate professionals, insurance agents, attorneys, home and lead   
      paint inspectors.

After completion of the workshop candidates may be eligible for many first time homebuyer programs, including   
     downpayment and closing cost assistance.

See below for workshop schedule. Registration is required. Fee is \$15.00 per person for this two-part workshop. Sorry, no refunds.
